

Six Thinking Hats® Sing Songs
To be sung to the tune of
"It's a Small World After All"

by Karen Lau

We can understand what we read and hear
When we use Six Hats® it will all be clear
As we put on each one, we'll find learning is fun
With our thinking hats!

First the white hat tells all the things we know
Then the red hat reveals all the moods we show
And when yellow's around, there is good to be found
With our thinking hats!

Now the black hat tells where the dangers lie
And the blue hat helps us to summarize
When the green hat appears, we share new ideas
With our thinking hats!

Six bright, colorful thinking hats (repeat 3 times)
They make learning fun!

Six Thinking Hats® Sing Songs

Six Thinking Hats® Song

By the Kistler Teachers

To the tune of "This Old Man"

Six Thinking Hats®, Six Thinking Hats®,

We all think with them.

With a white hat, red hat, green hat too,

Watch how we think for you!

White Hat, White Hat,

Facts are what we want back.

With a white hat, red hat, green hat too,

Watch how we think for you!

Red Hat, Red Hat,

Feelings are what we want back.

With a white hat, red hat, green hat too,

Watch how we think for you!

Six Thinking Hats® Sing Songs

Black Hat, Black Hat,

Weaknesses are what we want back.

With a red hat, black hat, yellow hat too,

Watch how we think for you!

Yellow Hat, Yellow Hat

Strengths are what we want back.

With a black hat, yellow hat, green hat too,

Watch how we think for you!

Green Hat, Green Hat,

Ideas are what we want back.

With a black hat, yellow hat, green hat too,

Watch how we think for you!

Six Thinking Hats® Sing Songs

Blue Hat, Blue Hat,

A bird's eye view is what we want back.

With a green hat, blue hat, white hat too,

Watch how we think for you!

Six Thinking Hats®, Six Thinking Hats®

A way to help us to learn.

With a white hat, red hat, black hat too,

Watch how we think for you!
